Bright Ideas For Beautiful Homes

Product Catalogue

About Maurice Appliances

Maurice is an inspiration from the needs of the discerning buyers of modern Home Appliances. Acknowledging the fact that quality and service are the only two parameters for acceptance of a brand in the market, Maurice is the answer to market dynamics.

At Maurice the key operational words are professional excellence and integrity. In essence the approach of designing and developing products is primarily consumer led and is backed by the unflinching support of continuous research and development.

Our products are an ideal combination of aesthetics and performance. Guaranteed for long trouble free usage. Every Maurice product is built on the pillars of safety, innovation, durability and trust, making brand, the first choice in so many homes. Maurice comes across as a household's delight.

We Promise, to listen to you and help you to achieve your business goals.

CONTENTS
